

Deswik Mining Consultants

NOVEMBER FIRST THURSDAY CLUB

Deswik Mining Consultants are kindly sponsoring the November First Thursday Club. We will be at the Wanderers Club which has become our confirmed venue.

See the following map for details of the location and entrance to the club, which is on **North St.** We will gather in the **Chariots Bar.**

The First Thursday Club is an opportunity to socialise with other individuals from the mining industry. The backgrounds of the people attending vary widely and are, among others, thirsty characters with a corporate, operational, financial, consulting, or entrepreneurial background. No speeches, no formalities, no jackets, just simply come straight from work, and have a sponsored beer with your peers.

So please join us again for a drink at the Wanderers Club on Thursday the 1st of November, from 5 pm onwards. You'll be surprised how many friends, clients, or old colleagues you will meet!

Please feel free to forward this invite to any of your colleagues, clients or contacts in the mining industry who also might be interested to attend.

Regards,

Shane, Mike, Emma & Adriana
