Deswik hereby grants You a non-exclusive, non-transferable, non-sub-licensable, time limited license to use one copy of the App (as defined below) on Your supported device during the Term (as defined in Clause 9.1 below), provided You comply with the restrictions set out below in Clause 2.2 (*Restrictions on Software Rights*). The license in the preceding sentence does not include use by any third party, and You must not permit any such use.

- 2.2. Restrictions on Software Rights. Copies of the App created or transferred pursuant to this Agreement are licensed, not sold, and You receive no title to or ownership of any copy or of the App itself. You receive no rights to the App other than those specifically granted in Clause 2.1 above. You may not: (a) modify, adapt, translate, create derivative works from, market, sell, distribute, or sublicense the App or any part of it; (b) reverse engineer, decompile, disassemble, or otherwise attempt to derive any of the App's source code or any part of it; (c) access the App in order to build a competitive product or service, to build a product using similar ideas, features, functions or graphics of the App, or to copy any ideas, features, functions or graphics of the App, or enable, support or facilitate or help a third party to do this; or (d) make the App available over a network where it could be used by multiple devices at the same time.

Deswik may immediately terminate this Agreement, and any license granted under it, if any attempt is made to modify or alter these mechanisms.
  - (b) The App may also include a security mechanism to detect installation or use of unlicensed copies of the Software, and collect and transmit data to Deswik, and/or its affiliates or agents, about suspected unlicensed copies. Data collected does not include any customer data created with the App. By using the App, You consent to such detection and collection of data, as well as its transmission and use if suspected unlicensed copies are detected.
