DESWIK COPPERBELT CONFERENCE 2018

21st – 22nd November | Chingola, Zambia

At the 2018 Deswik Copperbelt Conference, you will join with other mining professionals to learn the value of applying the latest technology and techniques to solve real-world mining problems.

The forum will attract mining representatives from throughout Zambia and the Democratic Republic of Congo to see first-hand the value Deswik's applications offer the Copperbelt region. The event will provide opportunities to interact and network with experienced professionals and Deswik users.

Discover how to reduce risks in mining while learning from experienced mining professionals through informative presentations and group-based workshops.

By attending the Deswik Copperbelt Conference you will

- Learn from the experience of others through real-world case studies.
- Increase your skills with one-on-one mentoring opportunities.
- Build industry networks by connecting and exchanging ideas with your peers.
- Learn to solve your issues with personalized assistance based on your own data.
- Discover innovative ways of working with Deswik's latest roadmap and technical enhancements.
